

OUTBACK ROUNDUP '07 WINNERS II

RANGE magazine has been holding a photo contest for close to 16 years. Photographers, amateur and professional, from Indiana to California, entered Outback Roundup 2007.

From hundreds of entries, winners were shown at Shooting the West in Winnemucca, Nevada last March. Here are the ones chosen as merit awards by the judges. See RANGE, Summer 2007, for more winning photos, or check www.rangemagazine.com.
