**T**his is my four-and-a-half-year-old granddaughter, Arlee Kuhr, from Squaw Butte Ranch in Havre, Mont. Her mom and dad are Andie and Philip Kuhr. She has two older brothers who are both in school, so she is picking up the slack helping Mom with lambing. She is definitely following in her mother's footsteps as she loves all the critters.

My hubby, Gary, and I stand firm with our producers and farmers. The ranch is busy with Black Angus cows, sheep, pigs and soon farming. For this gramma, I'm very proud of this family and all of the hard work they do to provide for this country! ■
